Pinot Noir | Petaluma Gap | 2022

“This is a stellar vintage for this wine, sourced from two distinct vineyards within the windy Petaluma Gap AVA. While Diamond Pile Vineyard is exposed to the elements of wind and fog, Catapult Vineyard is sheltered, extracting more structure. Aged 16 months in 45% French oak, notes of just-picked red cherries are sprinkled with white pepper. Candied apple-cinnamon in tilled soil makes a fine mid-palate impression. Red beets, radish, and cranberry bring up the rear for a juicy, elegant finish.”
